Matching the Vehicle to the Local Driver

Reliable transportation removes stress from your schedule, no matter where you work or live.

CFB Kingston Families

Needs: Fast, reliable transitions during posting season; AWD for all seasons.

Healthcare Professionals

Needs: Dependability for odd-hour shifts at KHSC or Providence Care; winter readiness.

Rural Drivers

Needs: Gravel and snow mastery north of the 401 (Amherstview, Odessa, Inverary).

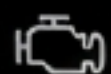

Students & Young Pros

Needs: Budget-friendly capability; commuting to Queen's University.

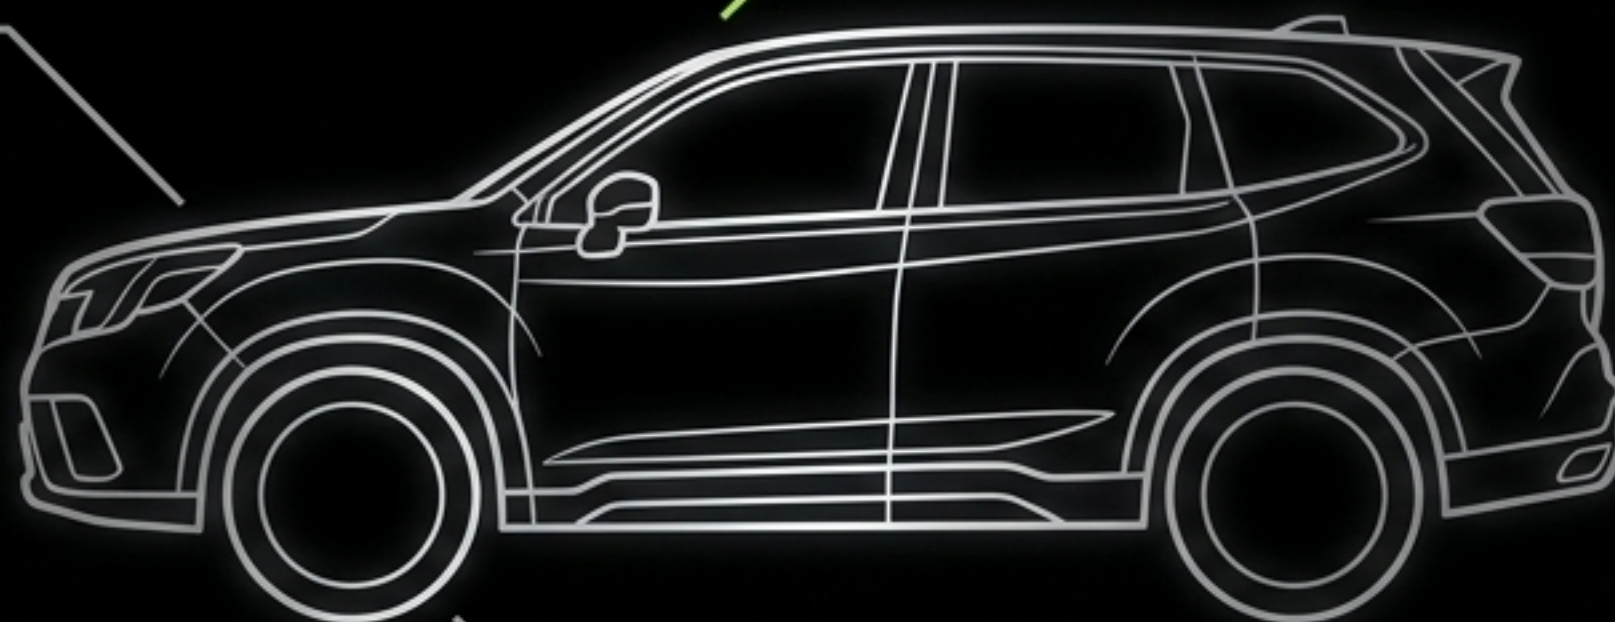

How to Inspect a Used Subaru

Shop smart by demanding transparency. Always check the history, the hardware, and the health of the vehicle.

Engine Bay:

Engine condition & transmission operation; maintenance records.

Wheels/Undercarriage:

Tire tread, brake life, and suspension health.

Windshield/Dash:

CARFAX Canada Report. Review previous ownership and accident history.
