

The 2025 Ford Escape: A Driver's Guide for Eastern Ontario

Discover why the Escape is the right-sized solution for Ottawa Valley commutes, family life, and changing seasons.

Carleton
Place

Kanata

Ottawa

Built for the Realities of the Valley

Eastern Ontario drivers demand a lot. You need one vehicle that effortlessly handles varying terrains and daily demands.

Highway 7 Commuting

Smooth, efficient daily drives from Carleton Place to Kanata, Stittsville, and Ottawa.

Winter Confidence

Secure handling for unpredictable weather and snow-covered rural roads.

Active Family Schedules

Adapts instantly for hockey equipment, strollers, or weekend trips to Mississippi Lake.

Easy Parking

Navigates downtown Carleton Place or tight Ottawa parking garages with ease.

The “Right-Sized” SUV Solution

The Escape offers the perfect middle ground: the efficiency of a compact car with the versatility of a larger SUV.

Compact Efficiency

Lower fuel expenses, easy maneuverability, lower overall operating costs.

The 2025 Escape

The Right-Sized Solution. Avoid the high monthly payments and maintenance costs of older, oversized vehicles without sacrificing everyday usability.

Full-Size Utility

Spacious passenger comfort, cargo capacity, all-wheel drive confidence.

Mastering the Highway 7 Commute

Turn your daily drive into the easiest part of your day with smart tech and quiet comfort.

Quiet Cabin Design

Start the morning in peace, insulated from highway noise.

Adaptive Cruise Control

Advanced driver-assist tech maintains a set distance, reducing fatigue in heavy traffic.

Seamless Connectivity

Smartphone integration keeps navigation, music, and calls accessible without distraction.

Adapts to Your Family's Schedule

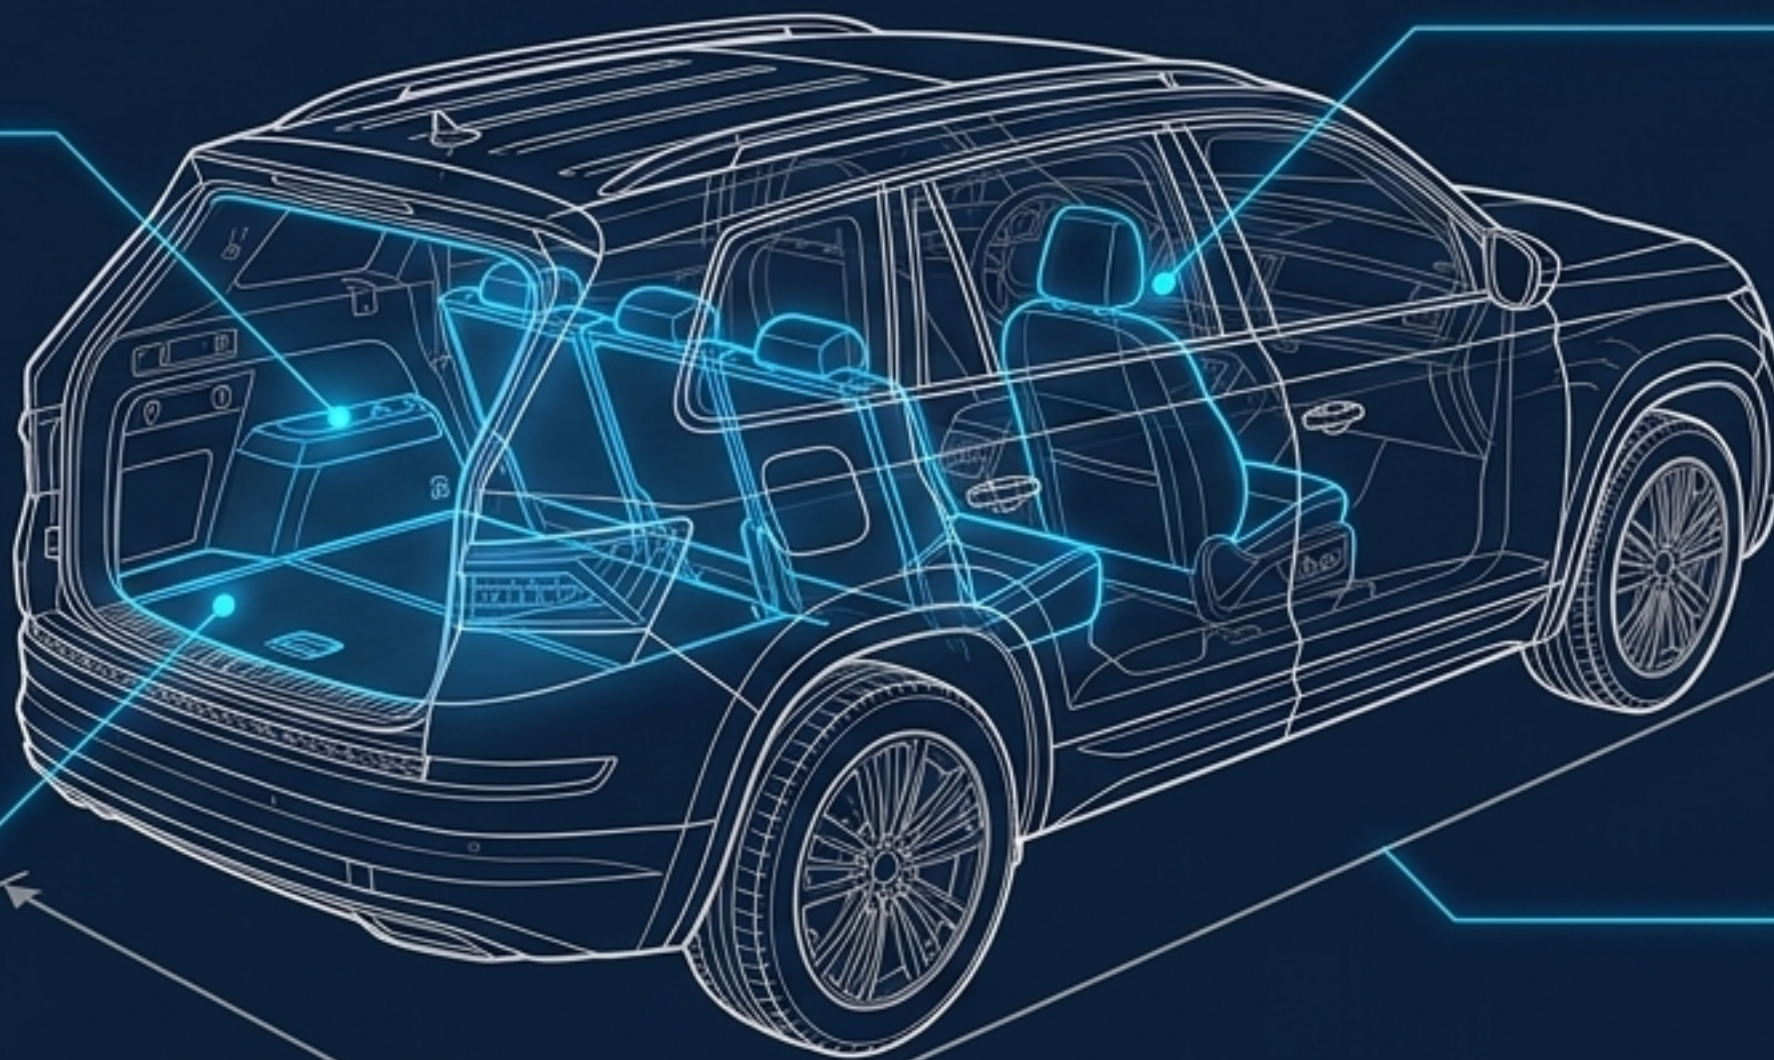

Flexible interior space that transitions instantly from grocery runs to weekend hockey tournaments in Lanark County.

Spacious cargo floor for bulky sports gear.

Easy-access liftgate for daily errands and groceries.

Configurable second row for family road trips.

Compact exterior dimensions ensure parking remains stress-free at school pick-ups and shopping centres.

Unshakable in Ontario Winters

Available All-Wheel Drive and advanced safety tech provide peace of mind when the weather turns unpredictable.

Available All-Wheel Drive

Continuously monitors traction to provide grip before wheels slip.

Pre-Dawn Confidence

Modern safety tech and lighting support early commuters leaving before sunrise or returning after dark.

The Winter Formula

AWD + Proper Winter Tires
+ Regular Maintenance =
Total Valley Readiness.

Power Your Drive, Lower Your Costs

Choose the powertrain that fits your lifestyle, balancing familiar driving with maximum fuel savings.

Gas

Traditional Capable

Familiar performance, reliable power, and a lower initial purchase price.

Hybrid

Sweet Spot

Seamless Efficiency

Reduced fuel consumption and lower operating costs with zero plugging in. No major lifestyle adjustments required.

Plug-In Hybrid (PHEV)

Maximum Savings

Perfect for short daily commutes. Run mostly on electric power locally, with gas backup for long trips to Perth or Arnprior.

Which SUV is Right for You?

We help you match your exact needs to the right capability, right-sizing your investment.

	 Escape	 Explorer	 Bronco Sport	 Maverick
Daily Commuting & Efficiency	✓			✓
Family Utility (Up to 5 Passengers)	✓			
Three-Row Seating & Heavy Towing		✓		
Off-Road Adventure Focus			✓	
Open Cargo Bed				✓

The Escape balances traditional SUV flexibility with manageable daily driving costs.

Transparent, Stress-Free Ownership

Key Message: Whether upgrading, downsizing, or rebuilding credit, our goal is finding your perfect long-term financial fit without the pressure.

Step 1: Transparent Evaluation

Review your current vehicle's condition, age, and market demand to determine a fair trade-in value.

Step 2: Match Your Habits

Compare Leasing vs. Financing and Hybrid vs. Gas based on your annual kilometres, budget, and ownership goals.

Step 3: Drive Home Confidently

Secure a monthly payment that fits your lifestyle, supported by our community-focused Carleton Place team.

Shopper's Checklist & FAQ

What to consider before making your final decision, and answers to our most common local questions.

The Checklist

- ✓ Match your powertrain choice to your daily KM driven.
- ✓ Evaluate your true cargo needs (don't overbuy size).
- ✓ Factor in the cost of proper winter tires.
- ✓ Review your current vehicle's trade-in equity.

Frequently Asked Questions

- ? **Q1: Is the Escape a good commuter?**
A: Yes, combining highway comfort, efficiency, and tech.
- ? **Q2: Is it available as a hybrid?**
A: Yes, hybrid and PHEV options offer great middle-ground efficiency.
- ? **Q3: Can I trade in my old SUV?**
A: Absolutely. We evaluate all makes based on age, market, and condition.
