2024 Kia Sorento: The Eastern Ontario Buyer's Guide

Discover why the 2024 Sorento hits the perfect sweet spot for Highway 7 commuters and growing Lanark County families.

Right-Sized for Your Life

Not too small, not too bulky. The Sorento offers three-row versatility while remaining incredibly easy to park and drive.

Compact SUV (Sportage)

The Sorento Sweet Spot

Full-Size SUV (Telluride)

Easy to
Park

Seats
Up to 7

Confidence on Snow, Slush, and Gravel

Ottawa Valley weather changes fast. Available All-Wheel Drive and generous ground clearance keep you moving safely.

Instant Grip
Adaptation

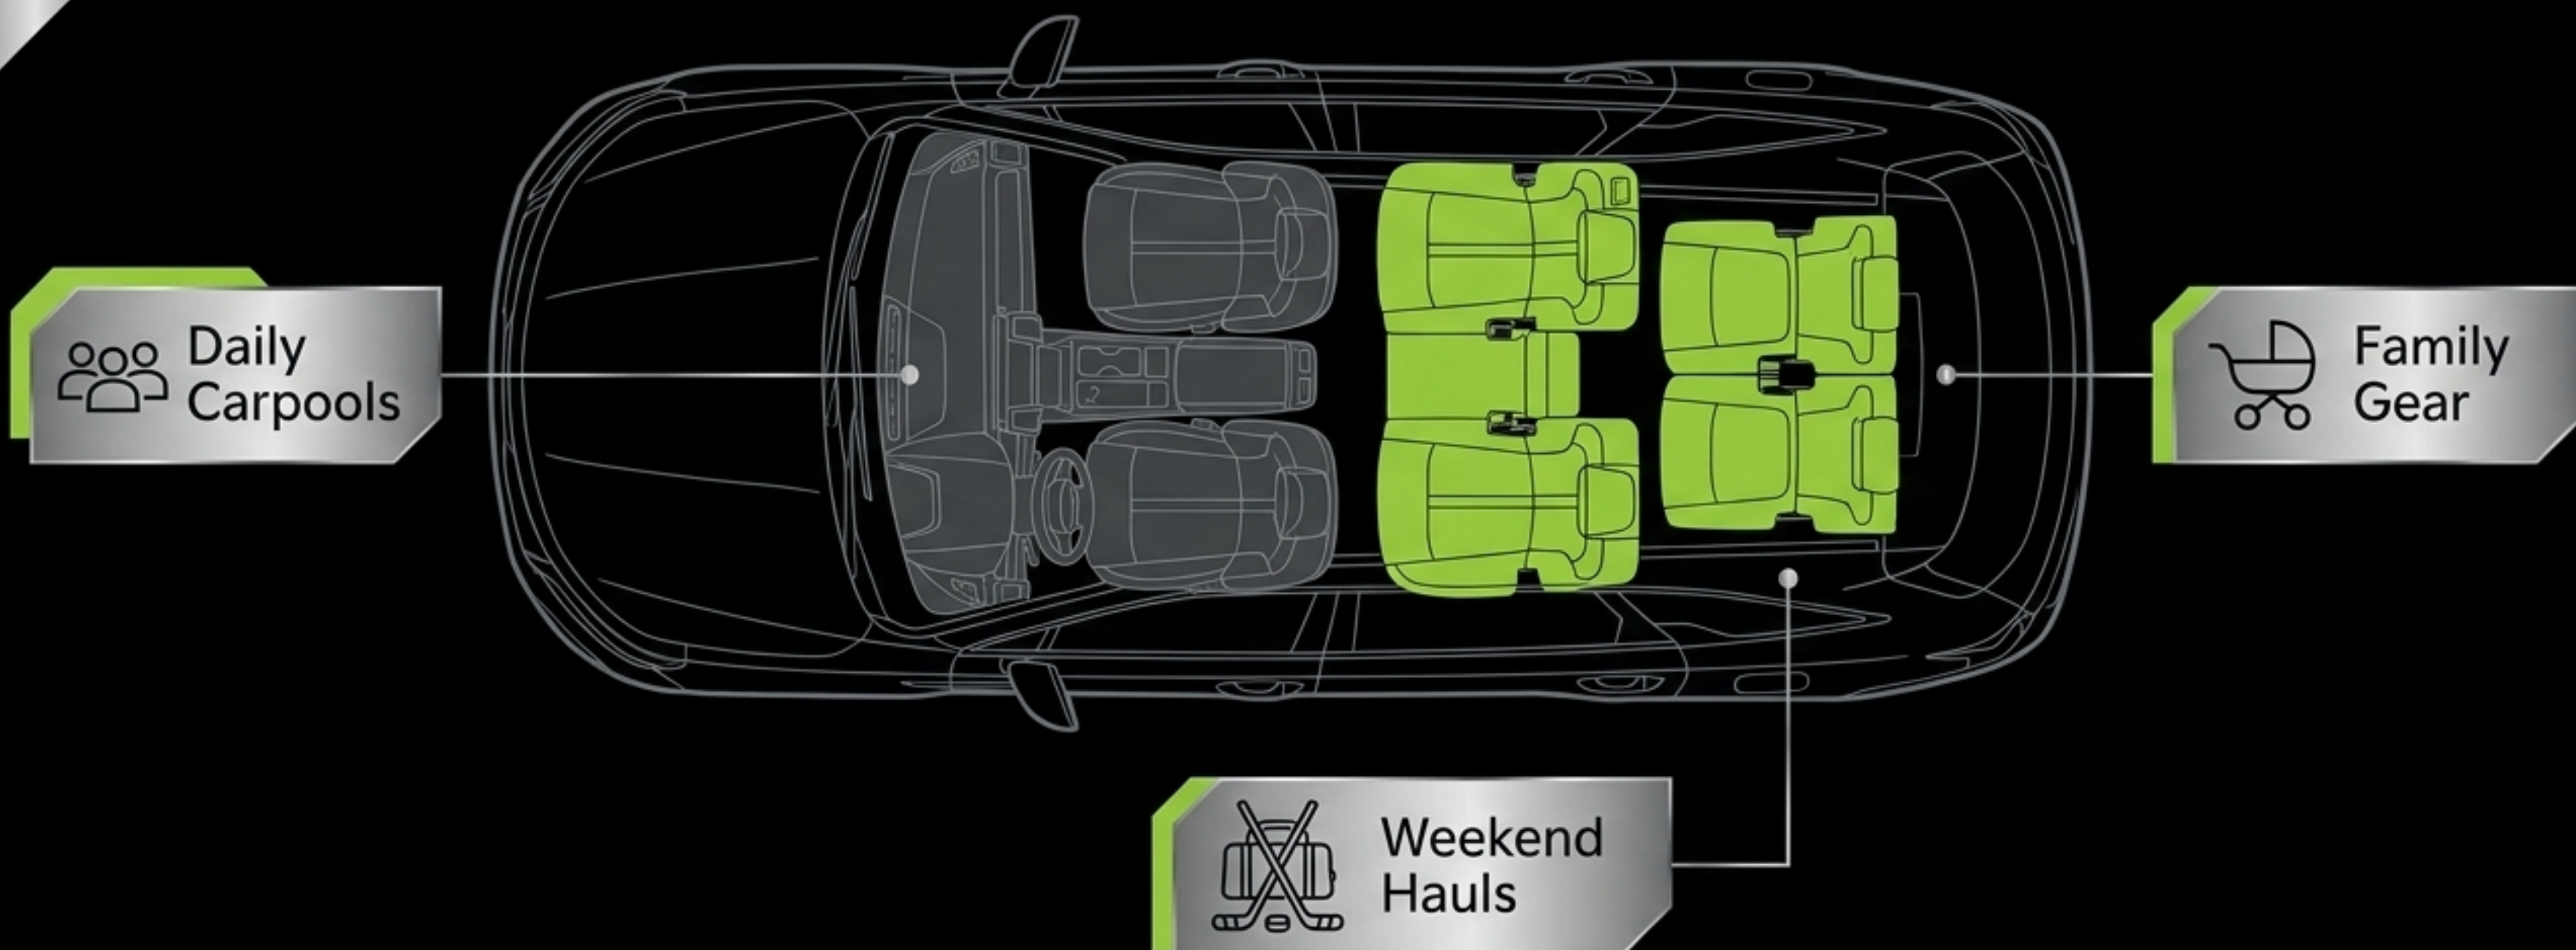

Highway 7 Commuter-Approved

Enjoy a quiet, supportive ride to Ottawa with fuel economy that beats out larger three-row competitors.

Flexible Family Space

Instantly adapt your interior for hockey practice, school carpools, or a massive weekend grocery haul.

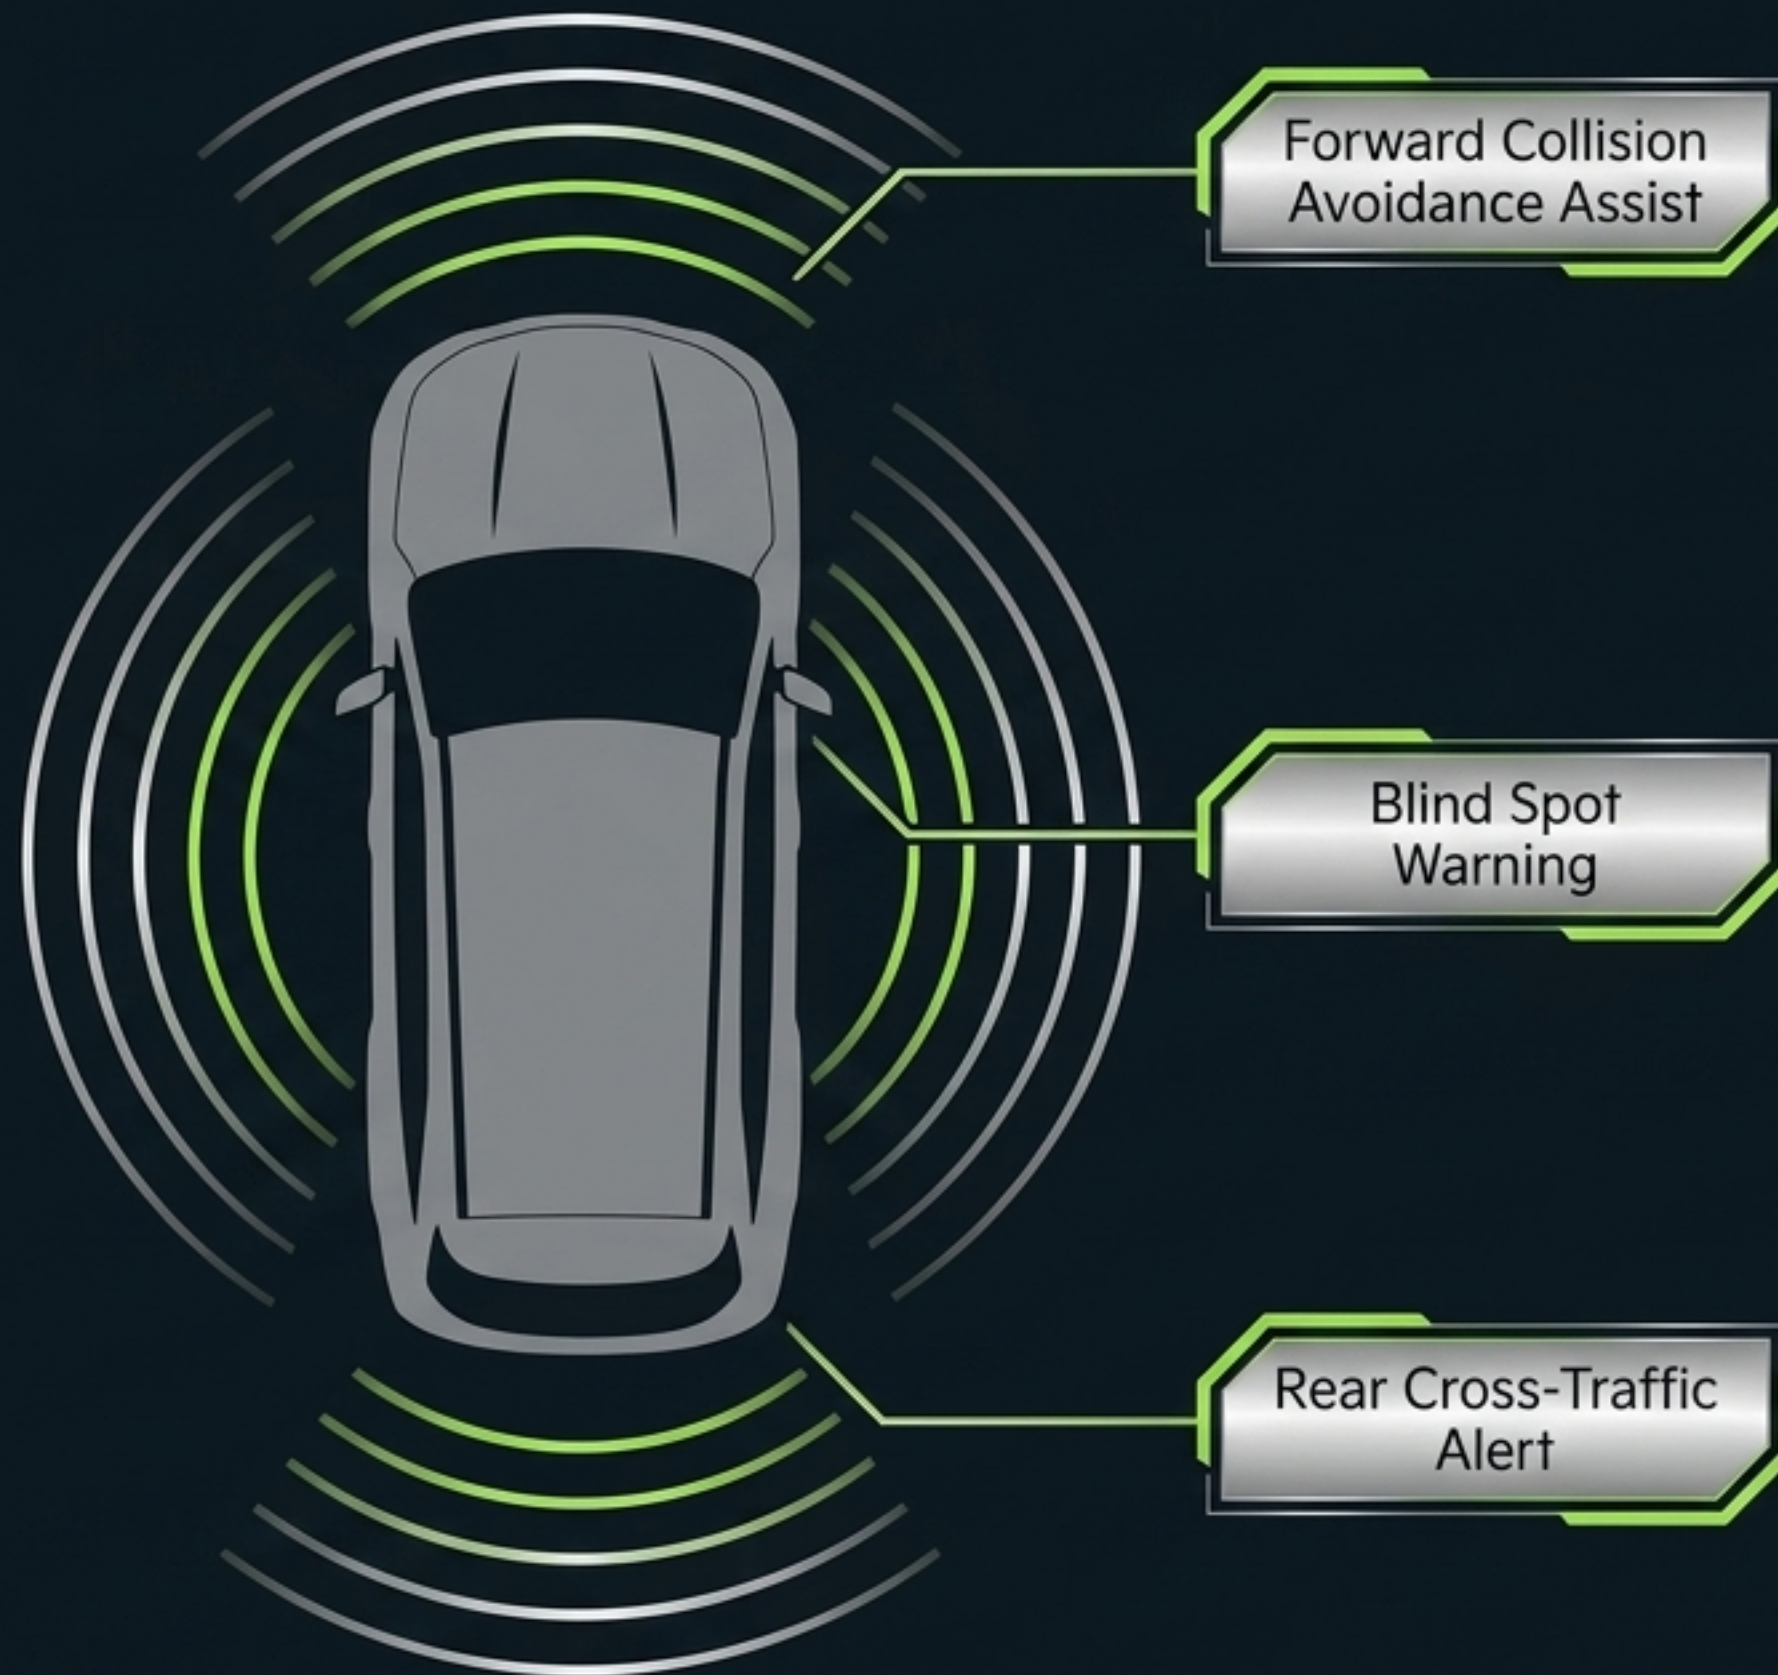

A Smarter, Safer Co-Pilot

Stay connected with seamless smartphone integration and stay protected with advanced collision avoidance technology.

Uncompromised Protection & Connectivity

Find Your Perfect Match

From essential value to premium luxury, there is a Sorento configured for your exact needs and budget.

LX First-time buyers / Commuters	EX Tech & Comfort seekers	SX / X-Line Premium finishes / Maximum capability
